House of Representatives
Washington D.C.

Dear Mr. Blakey:

Enclosed is a copy of a letter I received from the telephone company earlier this month and a copy of a letter I mailed to Mr. Conrad Bartz of the Select Committee.

I am very interested in learning what the reasons of the subpoena were - who, why, and how - it was issued and feel that I might not get a satisfactory answer from Mr. Bartz.

I would like answers to these questions in a reasonable amount of time realizing that the H.S.C.A. has a limited amount of life left.

Could you see that these questions are answered as soon as possible and forwarded to me so that I might understand the reasons for this subpoena, if in fact, there was a basis for it in the first place.

Thank you very much
